

CONTENTS

	<i>Page</i>
1. An Appreciation : Professor Winston Eric Ratnayaka: — <i>P. C. B. Fernando</i> ... ..	i
2. Review : Fifty Years of Quality Technology — <i>R. A. Dayananda</i> ... ..	1
3. Some interesting features of an 'Impromptu test' set up to Evaluate the minimum level of competence in mathematical Manipulation — <i>P. C. B. Fernando and C. Mapalagama</i> ... ..	33
4. Interrelationships among the species of the genus <i>Puntius</i> (Teleostei : Cyprinidae) as indicated by the meristic and Mophological characters. — <i>A. B. Kotalawala and J. Jinadasa</i> ... ..	39
5. Interrelationships among the species of the genus <i>Puntius</i> (Teleostei: Cyprinidae) as indicated by the osteology — <i>A. B. Kotalawala</i> ... ..	59
6. Species composition, distribution and economic importance of Fishes in the Bolgoda Lagoon — <i>J. Jinadasa, H. D. S. Jayanth and W. V. J. Perera</i> ... ..	107
7. Present status of seine fishery in Negombo Lagoon of Sri Lanka — <i>M. J. S. Wijeratne and W. M. D. S. K. Perera</i> ... ..	117
8. A Preliminary study of setellite magnetic anomalies over Sri Lanka and nearby oceanic regions — <i>D. A. Tantrigoda and P. Geekiyanage</i> ... ..	131
9. A numerical technique to determine the magnetization of a two dimentional body — <i>D. A. Tantrigoda</i> ... ..	137

10.	Effects of low water pH on some haematological and physiological parameters of <i>Oreochromis mossambicus</i> — I. C. Amarasinghe and M. V. E. Attygalle ... ..	147
11.	Limnology project at Mahaweli reservoirs : II. A Limnological study at Kotmale, Victoria and Randenigala Reservoirs — S. Piyasiri ... ..	155
12.	Population structure and polymorphism of <i>Ceriodaphnia cornuta</i> in Kotmale reservoir — W. P. N. Chandrananda and S. Piyasiri ... ..	167
13.	Seasonal diurnal and vertical distribution patterns of Cyclopoid copepods in Kotmala reservoir — W. P. N. Chandrananda and S. Piyasiri ... ..	179
14.	Effects of foliar application of nitrogen and molybdenum on the uptake of nitrogen, seed yield and its quality of Soybeans ( <i>Glycine max</i> (L.) Mer.) — S. S. Ranaweera ... ..	191
15.	Mineral nutrition of <i>Cymbopogon nardus</i> (L) Rendle : Part I. effects of magnesium and phosphorus nutrition on growth and the yield of essential oil — S. S. Ranaweera and W. P. Thilakaratne ... ..	201
16.	Mineral nutrition of <i>Cymbopogon nardus</i> (L) Rendle : Part II. effects of magnesium and phosphorus nutrition on the fractional composition of essential oil — S. S. Ranaweera and W. P. Thilakaratne ... ..	209
17.	Growth assessment of some ornamental fish species fed with low cost feeds — W. A. D. Mahaulpotha, A. de Alwis and J. Jinadasa ... ..	219
18.	A preliminary study on some aspects of distribution of phospholipids and yield and flow properties of Hevea Latex — S. Kasinathan, P. A. J. Yapa and K. Balasubramaniam ... ..	233
19.	Instructions to Authors. Editor in Chief. ... ..	243
